

BUILD A BEAVER

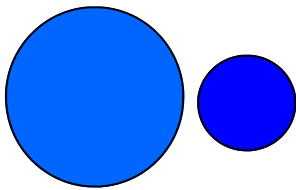

YOU WILL NEED:

- 2 BALLOONS
- FLOUR
- WATER
- BUCKET
- SCRAP PAPER
- CARDBOARD
- BEAVER BASE + ARMS
- 2 PENCE COIN
- COLOURED PAINT
- STICKY TAPE

WHAT TO DO:

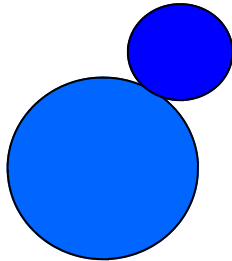

1

INFLATE THE BALLOONS SO THAT ONE IS 3 TIMES LARGER THAN THE OTHER.

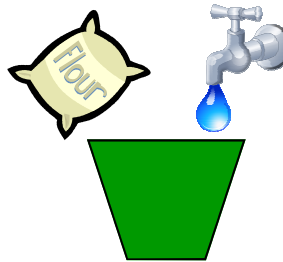

2

USING STICKY TAPE, ATTACH THE SMALLER BALLOON TO THE TOP OF THE LARGER BALLOON. THIS MAKES THE HEAD AND BODY.

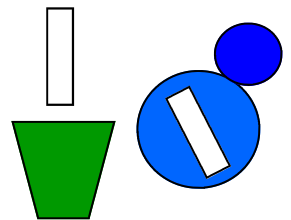

3

PUT THE FLOUR AND WATER IN A BUCKET AND MIX INTO A PASTE, THIS WILL BE THE GLUE TO STICK THE SCRAP PAPER TO THE BALLOONS (JUST LIKE PAPER MACHE).

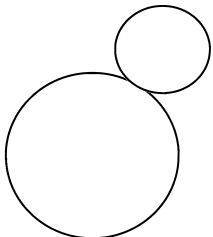

4

TEAR THE SCRAP PAPER INTO STRIPS AND COVER WITH THE 'GLUE'. STICK THE STRIPS ONTO THE BALLOONS.

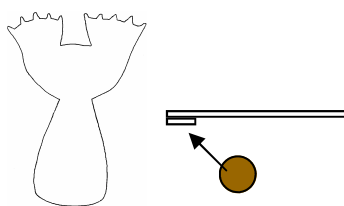

5

CONTINUE THIS UNTIL THE BALLOONS ARE TOTALLY COVERED. YOU CAN ADD AS MANY LAYERS AS YOU WANT. THE MORE LAYERS YOU ADD, THE FIRMER YOUR MODEL WILL BE.

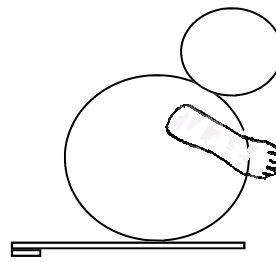

6

CUT OUT THE CARDBOARD BASE FOR YOUR BEAVER. ATTACH THE 2 PENCE COIN TO THE UNDERNEATH TIP OF THE TAIL. THIS WILL MAKE THE SLAPPING SOUND WHEN IT IS LIFTED AND DROPPED.

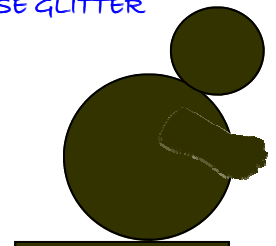

7

ONCE YOUR MODEL IS DRY ATTACH THE BEAVER BODY TO THE BASE AND FRONT PAWS USING STICKY TAPE OR GLUE. CUT OUT SOME FRONT PAWS AND STICK THEM

8

NOW DECORATE IT. IT CAN BE REALISTIC IF YOU USE BROWNS AND BLACKS OR IT CAN BE FANCY IF YOU USE BRIGHT COLOURS, YOU CAN EVEN GO WILD AND USE GLITTER

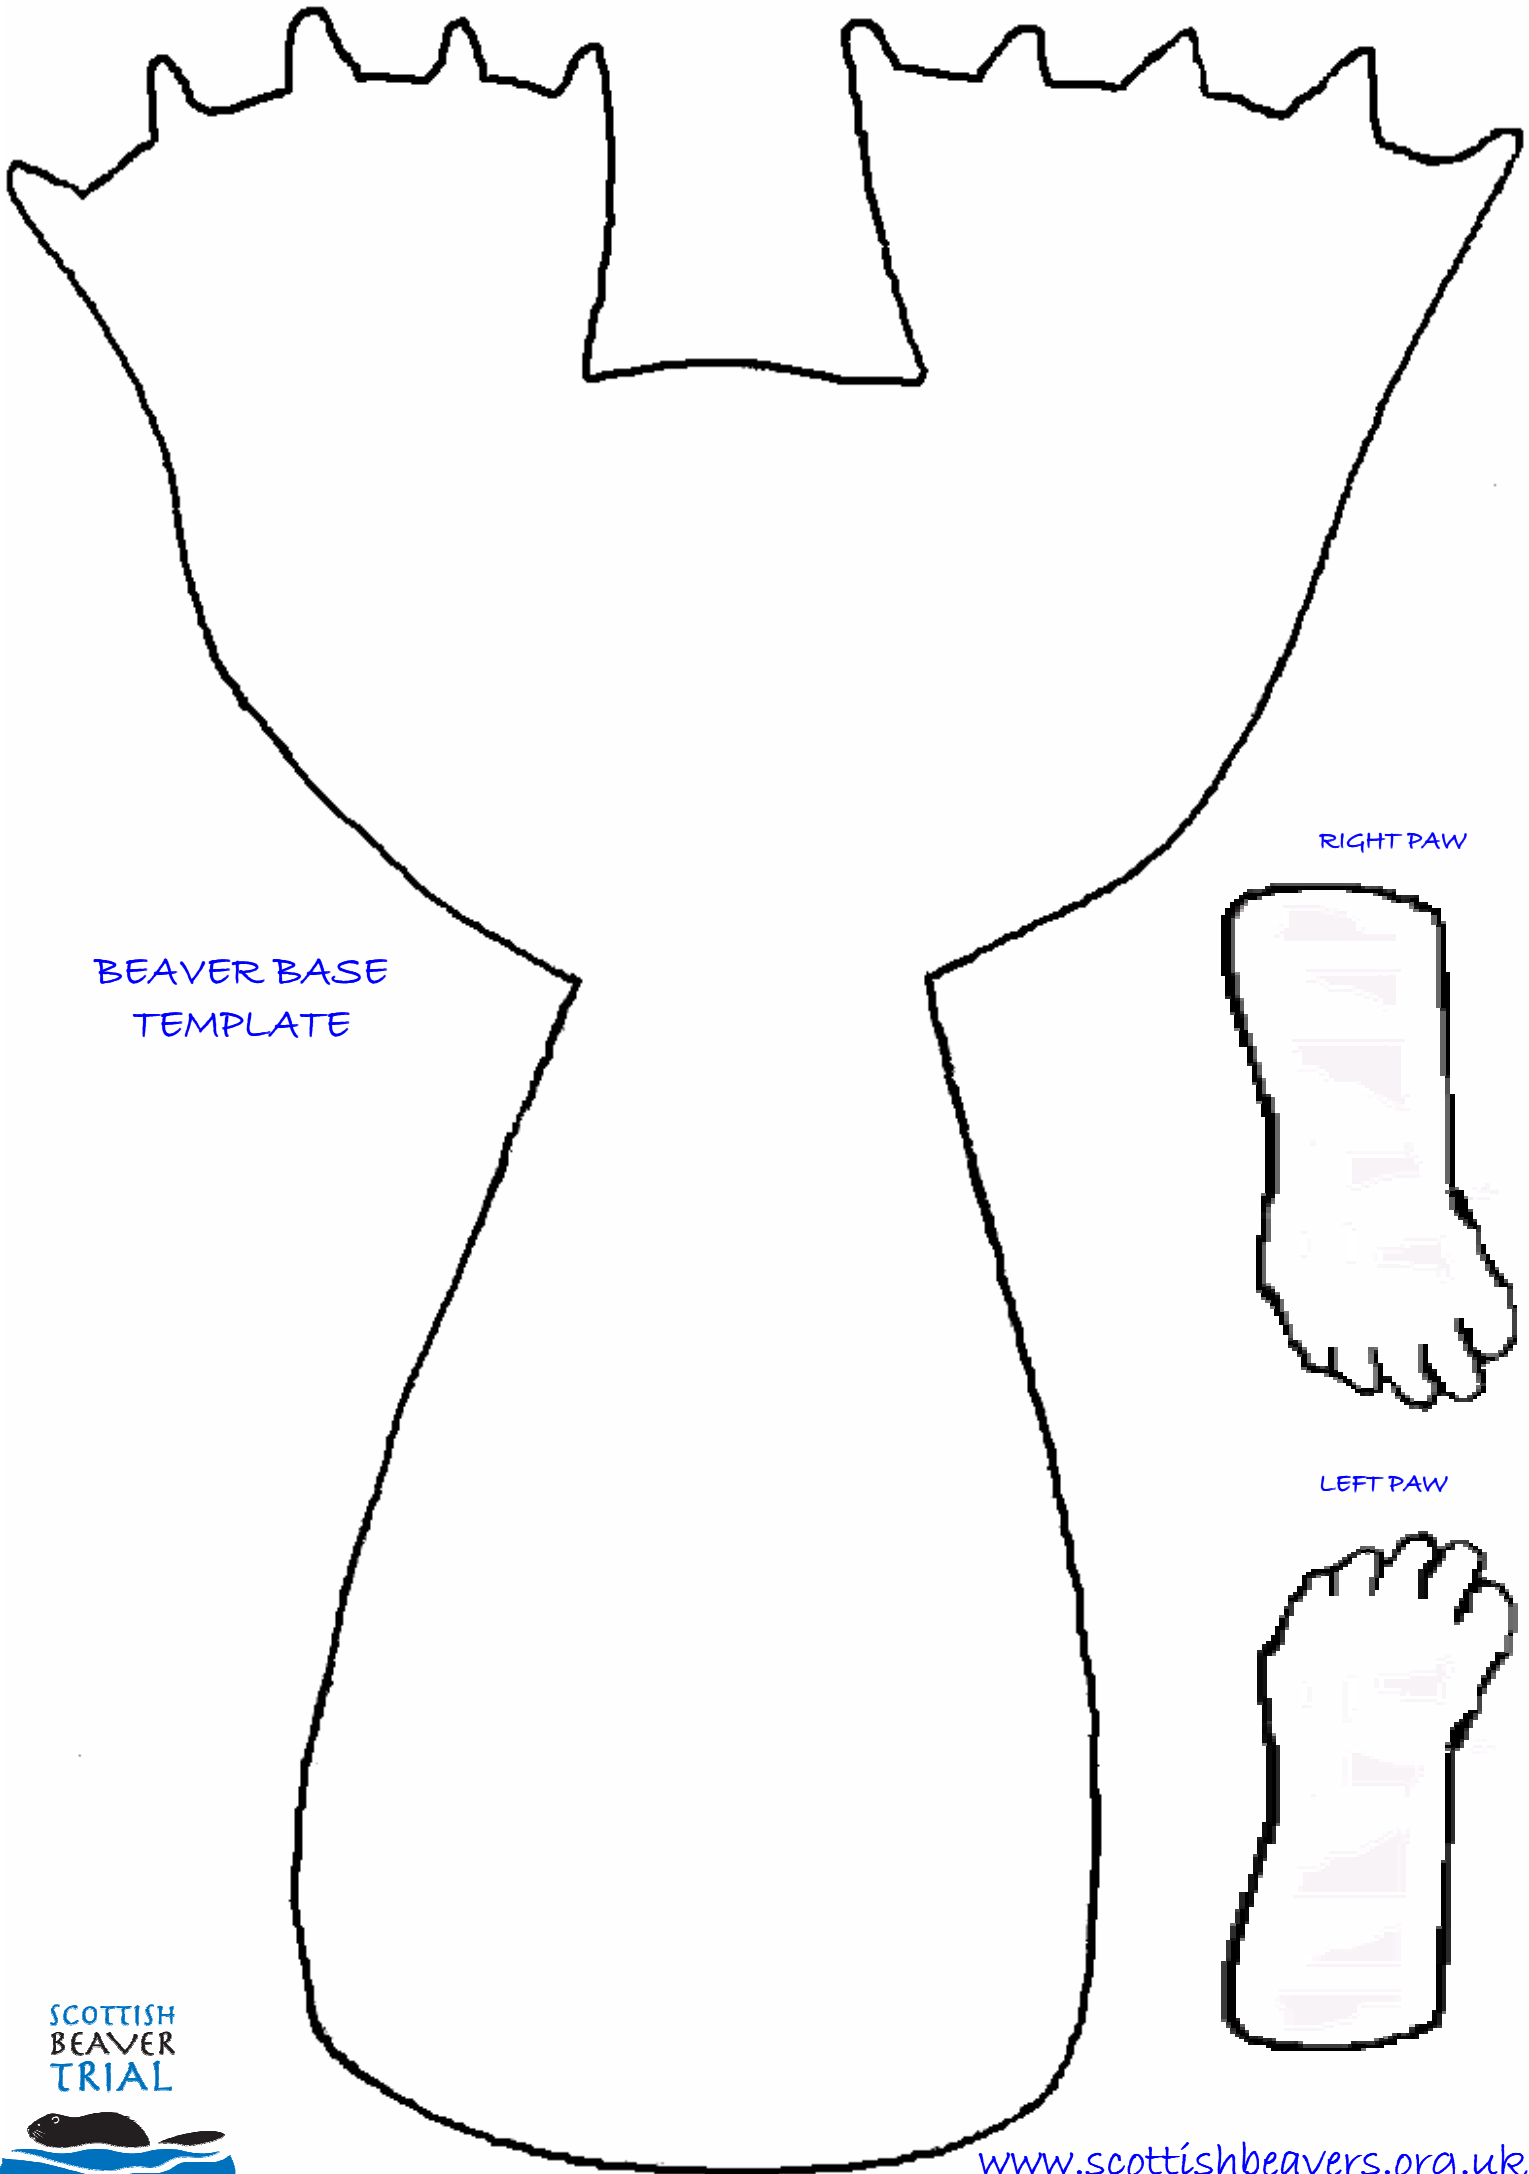

NOW YOUR BEAVER IS COMPLETE.

DON'T FORGET TO GIVE THE TAIL SLAP A GO!
